

## **Important Changes for Temporary Assistance for Needy Families (TANF) Customers who Receive Child Support**

Effective October 2008, the first \$100 of child support or child and spousal support payments paid to a TANF household will not be counted in determining the TANF amount. This is an increase from the previous disregard amount of \$50.

### **What do you need to do?**

Be aware that these changes may affect your Food Stamp benefits. Remember to report changes in your income to your Food Stamp, TANF, or Medicaid Worker. If you have questions about your case, please contact your eligibility worker at your local department of social services.
